Hawaii Island Growing Our Own Teachers

HI-GOOT is the lead organizer for this project and is responsible for dispersing the funds to all five organizations. Like all of the organizations involved in this project, HI-GOOT is a 501(c)(3) not-for-profit corporation.

HI-GOOT helps to provide financial aid grants to aspiring local teachers, ensuring that qualified teacher candidates can complete their final semester of student teaching. Many drop out of the program due to financial reasons, and as a result Hawaii Island does not add local teachers. For those who go on to receive their degree in the Statewide Teacher Education Program at the UH-Manoa, the retention rate is 98%! Website: growinghawaiiteachers.org

Hawaii Island Humane Society

HIHS offers 24-hour service for injured animals and other animal emergencies, humane education classes, low-cost spay and neuter services, lost and found assistance, microchipping and more. Support Our Island 'Ohana

We welcome you to the Brick Garden Project at the West Hawaii Civic Center, a focal point of a community relationship. The project is named ***Kapilina***, a relationship of the past living in the present guided into the future.

Hawaii Island Rotarians, in partnership with the County of Hawaii, are engaged in a commemorative brick project at the West Hawaii Civic Center in recognition of the outstanding community benefits provided by the following non-profit organizations: FRIENDS of the Children's Justice Center - West Hawaii, Hawaii Island Growing Our Own Teachers, Hawaii Island Humane Society, The Food Basket, HOPE Services Hawaii, The Island of Hawaii YMCA and the West Hawaii Community Health Center. These organizations enrich the lives of every sector of our community through their efforts. All donations, less the cost of the bricks, will be distributed to the respective organizations. Mahalo for your support.

The bricks purchased through this project will be permanently displayed in the courtyard of the new West Hawaii Civic Center adjacent to Kealakehe Parkway. Each brick will be laser etched with your message or logo, ensuring lasting durability.

Complete both pages of this form, including inscriptions as you would like them engraved. Spaces and punctuation are counted as characters. Check your spelling carefully as we will engrave your brick exactly as you have written it on this form. Remember, you can always order more than one!
